

Christmas custody schedule: 5 common arrangements

Holiday time normally overrides the regular schedule

- ☐ Alternate the whole holiday by year - Christmas Eve and Christmas Day with one parent, then the other

- ☐ Split Eve and Day - Christmas Eve overnight with one parent, Christmas Day from noon with the other; flip next year

- ☐ Split winter break in half - first half / second half, alternating who gets the half with Christmas in it

- ☐ Fixed by tradition - each side keeps its own tradition every year (Eve always with one family, Day with the other)

- ☐ Two Christmases - the second home celebrates on another date; common when travel is involved
